

ModelingSystemForHCSLibrary

```
graph TD; subgraph ModelingSystemForHCSLibrary; subgraph Package; Debug; obj; end; end;
```

The diagram shows a package named 'ModelingSystemForHCSLibrary' represented by a dashed rectangle. Inside this package is a sub-package, represented by a solid rectangle. This sub-package contains two elements: a package named 'Debug', shown as a blue-shaded rectangle, and an object named 'obj', shown as plain text.

Debug

obj
